

LE SOLEIL D'OR

On the rugged southern coast of Cayman Brac lies a hidden gem: Le Soleil d'Or. Set in idyllic surroundings, it offers boutique accommodation, farm-to-table dining, and a warm Caymankind welcome. The perfect place to connect with nature, try new adventures, and embrace the simple island life.

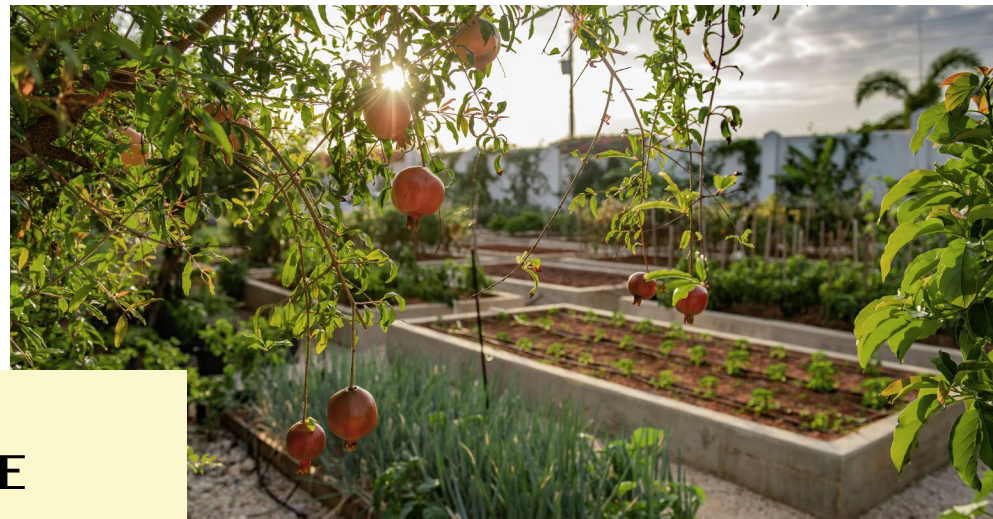

OUR FACILITIES

Le Soleil d'Or is a place to wander and explore, with facilities located across different sites, but all within easy reach of your accommodation.

You'll enjoy access to our farm, restaurant, and private beach, as well as two swimming pools, a fitness centre, basketball court and tennis court.

THE FARM

Set high on the Bluff overlooking the Caribbean Sea, the farm is the heart and soul of Le Soleil d'Or. Twenty acres of lovingly tended kitchen gardens producing over 300 varieties of fruits and vegetables, it's the source of much of the food you'll enjoy during your stay.

Take a leisurely stroll or join one of our horticultural tours to marvel at the sheer range of produce available. Depending on the season, you'll find tropical favourites like mangos, guava, sweet sop, sour sop, guineps and plantain, and mediterranean staples like tomatoes, arugola, kale, broccoli, and herbs — all waiting to make the short journey from farm to fork.

In fact, we grow produce in such abundance, it not only feeds our guests — we also sell it at our onsite shop, The Farm Market.

THE FARM RESTAURANT

The Farm Restaurant offers all of our guests an authentic farm-to-table dining experience, with the majority of ingredients gathered just minutes away amongst the vegetable beds and fruit trees up on the Bluff.

Anything we can't source from our own land is supplied by local producers, farmers and fishermen and menus are inspired by whatever is ripe and in-season. We pride ourselves on creating elegant yet unpretentious dishes, allowing the incredible ingredients to speak for themselves.

Here, the emphasis is always on freshness and flavour, whether you're enjoying the complimentary breakfast, a long, lazy lunch, an evening cocktail, or one of our bespoke picnics when you're out and about.

THE BEACH CLUB

Located a couple of miles along the coast road from Le Soleil d'Or's main site, The Beach Club feels like its own private island. There's a large oceanfront swimming pool and a gorgeous stretch of beach with pristine white sand and shaded loungers — everything you need for some serious relaxation. To keep you refreshed, there's also a bar on hand with a lunch option from Friday through Sunday.

The Soleil d'Or team will be happy to arrange transport to and from The Beach Club or you can borrow one of our complimentary bicycles and make your own way there.

DISCOVER CAYMAN BRAC

Lying 90 miles northeast of Grand Cayman, Cayman Brac takes its name from the rocky limestone outcrop that runs the length of the island (brac means bluff in Gaelic). Dramatic coastal cliffs, mysterious caves, and world-class dive sites make it a paradise for nature lovers and thrill seekers, while its unspoilt beaches and slow pace of life ensure there's plenty of opportunity to just kick back and relax.
